

FANTIC

ABOUT FANTIC

Fantic Motor was **founded in 1968** and has been developing iconic products since then.

It is a brand that gives **importance to the production of high performance vehicles.**

Today Fantic is a **unique example where the motorcycle and bike businesses coexist** and enhance each other with a constant exchange of innovation and know-how.

The Design, R&D and Production departments are based in the famous motorcycle district of North East Italy.
